

SAI BUVANN BANDARU

+91 6304706159 | saibuvann11@gmail.com |

Motivated and dedicated B. TECH student aiming for a full-time position in software development. Passionate about applying theoretical learning to real-world projects while expanding technical expertise. Committed to delivering quality results and adding value to the organization's growth and innovation.

EDUCATION

Anurag University

Hyderabad, India June 2023 - June 2026

B. Tech in Computer Science Engineering | CGPA: 7.22/10(Completed three years)

Little Flower Junior college

Hyderabad, India April 2020

Intermediate | MPC | GPA: 9.65/10

FIITJEE World School SSC

| GPA: 9.5/10

PROJECTS

Intelligent Ambulance & Emergency Response System

Feb 2025

- We proposed a machine learning model for the intelligent ambulance response for patients in emergency. A better prediction result from the deep learning model compared with data table and threshold value was observed •
Technologies: Python, Machine Learning, Deep learning
- [Project](#)

Automated Phishing Detection Tool

Sep 2025

- Developed an automated phishing detection system using machine learning to identify malicious URLs and emails with high accuracy through effective preprocessing, feature extraction, and classification.
- **Technologies:** Python, Machine Learning, Scikit-learn, Pandas, NumPy, Natural Language Processing (NLP), Feature Engineering, Model Evaluation Metrics.
- [Project](#)

POSITIONS OF RESPONSIBILITY

VICE PRESIDENT-MEMBERSHIP

Sep 2024-March 2025

- **Organization:** Toastmasters International (Anurag Toastmasters)

Took on a leadership role focused on recruiting new members, successfully bringing 25+ members into the club. This

experience strengthened my confidence, communication, and leadership abilities.

JUNIOR MANGER

Feb 2025

- **Organization:** AIESEC
- Collaborated with cross-functional teams to plan and execute key projects, ensuring alignment with organizational goals. Enhanced leadership and project management skills through active participation in stakeholder communications and team coordination
- [Offer Letter](#)

TECHNICAL SKILLS

Programming skills: Python

Database skills: MySQL, ER Diagrams **Web**

Development: Basics HTML, CSS **Designing skills:** UML, Design Thinking **Operating**

Systems: Windows

Tools: Git, GitHub (Basic version control)

OTHER SKILLS

Leadership skills: Effective communication, Team Management, Decision making, Delegation and responsibility handling

Extracurricular activities: Cooking, Travelling

Sports: Badminton, Table tennis

ACHIEVEMENTS

- Participated in two-day workshop and Hackathon at AI Days 2024, JNTUH
- Got Persuasive Leader of the year – 2024 Anurag Toastmasters Area H1 | D126
- Participated in many universities level hackathons

CERTIFICATIONS

- Software Development [Certificate](#)
- Design Thinking [Certificate](#)
- Introduction to DBMS [Certificate](#)
- Introduction to Machine Learning [Certificate](#)
- Expletas Data Science Certification [Certificate](#)
